Hi

I am currently an inmate at the FDC Seatac facility serving out a 24 month sentence concluding on the 6th of January 2018, which is approximately 3 weeks away to date.

I was sentenced in Judge Zilly's court, my case number is CR 00 142-TSZ-001.

I intend to submit a writ of Habeas Corpus 2255 before the tolling period ends which is approximately around late July, 2018. At present, I am compiling materials for arguments and given that i will be deported at the end of my sentence and be able to finally gather the materials required. I do wish to obtain transcripts from the court with regards to my evidentiary hearing and sentencing which I believe will be helpful. Given that I am an indigent, I cannot afford an attorney nor am able to pay for the transcripts I seek. I did reach out to my previous court appointed attorney but rightly so has indicated that he represents me no longer. I therefore wish to request access to the transcripts I do not have thus far and seek guidance and advise on how to obtain these.

Since I will be deported, my mailing address will temporarily be 'unknown', so I am hereby sending this email through my wife and you may respond via this forum for further communications.

Appreciate your help and guidance.

Kind Regards

William Ali
